Experience Fly Fishing

on the beautiful Grand River

Grand Opportunities celebrates fly fishing and the Grand River

This event helps casual fly anglers better enjoy the sport through education and provides a place for veteran anglers to gather and share stories, skills and experiences.

Proceeds from this event assist habitat and access improvement projects on the Grand River. There will be opportunities for you to win great prizes and help support this quality work.

- for a complete event schedule,
- to register used equipment to sell,
- for a map to get to Belwood Lake Conservation Area,
